

WINE IS KING

April 02 – 06 or 22 – 26, 2024 / Villa Cornarea (5 days / 4 nights)

A travel offer with a ready-made program of enjoyment and experiences. A MUST for all those who want to experience Piedmont up close and authentically in a small group. I am already looking forward to accompanying you on this pleasure and adventure trip! In order to keep the setting exclusive and unique, a maximum of 10 people can take part in this trip (it takes place with a minimum of 4 people).

In vino veritas – the truth lies in wine! And because we love the truth, we go in search of it together. In cozy wine cellars, where the scent of wood wafts through the air, we find many a treasure and listen to the stories that the country and its people have to tell. Where wine is in the foreground, cheerfulness and conviviality are also guests. How nice it is to sit and enjoy a cozy get-together. And, of course, we also enjoy the fine Piedmontese dishes with a glass of pure wine!

The proximity to the «Terra» and the locals are what we will discover on this trip, both in the glass and on the plate.

In a double room: 1980.– Euro per person

In a single room: 2080.– Euro per person

Application deadline: February 29, 2024

ALL INCLUSIVE

Piedmont Passion allows you to sit back and relax right from the start. Enjoy the privilege of not having to worry about anything – either before or during your trip. You also don't have to worry about costs getting out of hand, because apart from any private purchases, there are no additional costs at any time or place.

RELAXED PRODUCER VISITS

It is common knowledge that small producers do not pay for the tasting – the collaboration with Piedmont Passion is different. We pay each producer a fee per person for the tour and tasting. This is in appreciation of the fact that they give their time exclusively to our guests and to ensure that there is no subliminal obligation to buy.
